EDISON ELECTRIC INSTITUTE

620.6 E24 v.3

INDEX TO 1935 EDISON ELECTRIC INSTITUTE BULLETIN
Volume III

General Index

A

A Memorial to the President of the United States, presented by Thomas N. McCarter, 3

Accidents and Accident Prevention
- "Accident Prevention, an Important Part of Management," by J. P. McCann, 300
- "Accident Prevention and Insurance," by E. R. Kropp, 203
- "Building Foremen to Appreciate Accident Prevention," by C. J. Rutland, 356
- "Effect of Street Lighting on Accidents," by C. R. Beardsley, 87
- "Electric Fences: A Word of Warning," 266
- "Facts About Low Voltage Fatalities," by Alexander Maxwell, 452
- "Falls of Persons," by Roy M. Godwin, 164
- "How Foreman Can Prevent Waste From Accidents," 451
- "More Elbow Room," by Wills Maclachlan, 16
- "Red Cross Plans Safety Check as Guard Against Accidents in Home," 396
- "Safety in Transportation," by Wills Maclachlan, 51
- "The Engineer and the Accident Prevention Program," by W. R. Smith, 115
- "What the Utility Executive Expects of the Safety Director," by N. M. Argabrite, 429

Accident Prevention Committee
- Louisville, Ky., Meeting, 376, 439
- Pittsburgh Meeting, 167
- personnel, 1935-36, 306

Accounting and Office Methods
- Accountant, electrical, challenge, 316
- Accounting, fund, application to wholesale electric light industry, 397
- Accounting, regulation by, 301
- "How to Increase the Usefulness of the Accountant in the Public Utility Industry," by Arthur J. Murphy, 53

Accounting Committee
- Personnel, 1935-36, 306

Advertising Club of New Orleans
- 1st Annual Competition, 112

Air Conditioning
- "Our Entrance Into the Air Conditioning Field," by J. J. Donovan, 149

Alleged "Power Shortage," 113

American Home, electrified, 436

"Analysis of Lighting Voltage by States," by G. S. Merrill, 374

Appliance market, value to the utility, 147

"Application of Fund Accounting to the Wholesale Electric Light Industry," by John H. O'Grady, 397

"Apportionment of Load Among Dissimilar Units," by George H. Guthrie, 383, 443

Architectural Competition, sponsored by General Electric Company, 26, 436

Arkansas Utilities Association
- Hot Springs Convention, 474

Ashwander vs. Tennessee Valley Authority, 297

B

Bare Neutral for Interior Wiring, 55

Barnes, J. S., wins 1st Prize for New Orleans Company Advertising Campaign, 112

Better Light-Better Sight Bureau
- A view of 1934 activities, 24
- Dinner to Honor Messrs. Whitwell and Skinner, 466
- First milestone, 57
- Goes on the Air, 435
- "Our Light Prescribing Program," by M. J. Julian, 152
- Recommendations to utilities, 291
- Second Annual Meeting, 365
- "The Eye Specialist and the Better Light-Better Sight Program," by M. J. Julian, 284

Better Merchandising Contest, 43

Better Vision Institute. *See* Better Light-Better Sight Program

Bodine, Samuel T., Meritorious Award, 484

"Building Foremen to Appreciate Accident Prevention," by C. J. Rutland, 356

"Building Good Will," by Frank McLaughlin, 197

Byllesby, H. M., Prizes. *See* Prizes and Prize Papers

C

Cables
- assembly developments, new low cost small diameter concentric, 403
- bare neutral for interior wiring, 55
- telephone, experimental investigation of self-shielding, 27

Canadian Electrical Association Convention, 308

"Canada's High Domestic Consumption," by Wm. M. Carpenter, 5

Capacitors and their application, 357

"Challenge to the Electrical Utility Accountant of Today," by R. E. Kerns, 316

"Character," by George B. Cortelyou, 181

Charitable funds, 299

"Chief Executive's Viewpoint Toward a Sales Program," by G. C. Estill, 254

Code, National Electric, proposed revision, 327

Coffin, Charles A., Award
- *See* Prizes and Prize Papers

Commercial Cooking Survey—1934, 88

Commercial News Notes, 117, 363

Committees
- *See* Specific Committee name

Committees, personnel, 1935-1936, 306

Conduits, electrical, lowering by means of ice, 483

Conventions
- *See* Specific Convention *also* Edison Electric Institute Convention

Cooking Survey, commercial, 88

"Cooperation is Keynote in Rectifier Supply Coordination," by F. E. Sanford and V. G. Rettig, 329

Correspondence, 18

Cortelyou, George B., retirement of, 256

Cortelyou, George B., and Owen D. Young to head educational movement, 413

Cost of living, 459

"Current Utility Problems," by Bernard F. Weadock, 415

Curtis, Augustus D., Award
- *See* Prizes and Prize Papers

D

Davis, John W., brief on constitutionality of Public Utility Act of 1935, 380

Direct-current transmission, 165

District representative plan, 423

"Does It Pay?" by C. E. Greenwood, 325

"Does the TVA Constitute a True 'Yardstick'?" by B. F. Weadock, 77

"Domestic Electric Service in 1934," by Wm. M. Carpenter, 109

Domestic electricity, Canadian consumption, 5

"Domestic Electricity in Ontario," by Wm. M. Carpenter, 163

Domestic load building, 257

E

Edison Electric Institute
- An Appreciation—Sir Edward Sharpey-Schaefer, 166
- officers, 1935-1936, 177
- statement by President McCarter on certain expenditures and actions, 297
- will lead in court test of utility laws, 337

Edison Electric Institute Committees
- *See* Specific Committee

Edison Electric Institute Convention
- Atlantic City Hotels, 98
- heavy attendance expected, 129
- plans being developed, 97
- President's Address, 179
- third convention, 177

Edison Electric Institute Medal
- *See* Prizes and Prize Papers

Edison, Thomas A., Foundation, 413

"Effect of Service Standards on System Design," by N. E. Funk, 267

"Effect of Street Lighting on Accidents," by C. R. Beardsley, 87

"Effect of the Wheeler-Rayburn Bill on Operating Utility Companies," by Jack G. Holtzclaw, 229

Electric Fences: A Word of Warning, 266
"Electric Kitchen As a Load Builder," by P. B. Zimmermann, 264
Electric Kitchen—Is Time Ripe For Promotion?, 157
"Electric Light and Power Business at the Beginning of Another Year," by Thomas N. McCarter, 1
Electric operations, 1934, 123
Electric Ranges
new sales opportunity, 155
Electric Rates *See* Rates
Electric Refrigerator Sales, 62, 367, 395, 418, 458
Electric Water Systems Council
Chicago meeting, 117
Running Water Program, 44
Electrical Equipment Committee
Cincinnati meeting, 18, 91
Chicago meeting, 350, 405
Pittsburgh meeting, 168
personnel 1935-36, 306
Report on Shunt Capacitors and Their Application, 357
Electrical Housewares Program
Better Merchandising Contest, 43
second quarterly contest, 117
"Electrical Housewares Week," by C. E. Greenwood, 433
Electricity, cost of, 459
"Employee Selling," by C. E. Greenwood, 469
"Engineer and the Accident Prevention Program, The," by W. R. Smith, 115
"Engineering Necessary in the Development of an Extensive Low Voltage Network," by James L. Holton, 83
"Experience with Electric Rate Reduction," by C. W. Kellogg, 65
Extensive Housing Program to Feature Electrical Equipment, 154
"Eye Specialist and the Better Light-Better Sight Program, The," by M. J. Julian, 284

F

"Facts About Low Voltage Fatalities," by Alexander Maxwell, 452
"Falls of Persons," by Roy M. Godwin, 164
Farm Electrification *See* Rural Electrification
"Farm Electrification," by G. C. Neff, 453
Federal Housing Administration
Extensive Program to Feature Electrical Equipment, 154
"Opportunities for Financing Under the National Housing Act," by George G. Mead, 141
Federal Power Commission, electric rate survey, 377
Federal Power Commission, reply of Mr. Weadock on alleged "power shortage," 113, 114
Federal Trade Commission
findings, 204
Testimony of Attorney Answered, 159
"Federal Trade Commission and So-Called Utility 'Write-Ups'," by Bernard F. Weadock, 33
Federally operated reclamation projects, 449
Fences, electric, 266
"Financing the Customer—A Major Industry Problem," by Merrill E. Skinner, 137
"Findings of the Federal Trade Commission," by Bernard F. Weadock, 204
Food Costs Up—Electricity Down, 459
Forbes, B. C., Award. *See* Prizes and Prize Papers

G

Gadsden, P. H., Awarded Bodine Medal, 484
General Electric Company Competition for "New American" Homes, 26, 436
Generating capacity, excess, Tacoma, Wash., municipal plant's experience, 36
"Government and the Public Utilities," by Wendell L. Willkie, 37
"Government Competition with Electric Utilities," by Paul S. Clapp, 9
Government operation of reclamation projects, 449
Government vs. Private Ownership and Operation of Public Utilities, 71
"Government's Program of Water Power Development," by Oscar G. Thurlow, 201
"Guide to the Industry in the Statistical Analysis of Reported Residential Sales," by Samuel J. Helfman, 351

H

Highway lighting, 422
Hockenbeamer, August F., obituary, 428
Housewares *See* Electrical Housewares Program
"How Foreman Can Prevent Waste From Accidents," by W. A. Buchanan, 451
"How to Increase the Usefulness of the Accountant in the Public Utility Industry," by Arthur J. Murphy, 53
Hughes, George A., Award. *See* Prizes and Prize Papers
"Hurdles for 1935," by C. E. Greenwood, 17
Hydraulic Power Committee
personnel 1935-36, 306
Washington meeting, 376, 441
"Hydro Station Operation with Minimum Loss," by S. A. Schamberger, 19

I

Industrial Heating Pointers, 30, 94, 125, 173, 326
Industrial Power and Heating Subcommittee
summary of report, 293
Industrial power sales, present day problems, 455
"Increasing Our Sales," by Jo C. Guild, Jr., 249
Insurance, and accident prevention, 203
Insurance Committee, personnel 1935-36, 306
"Intensive Merchandising in TVA Territory," by E. W. Ashmead, 144
Interconnected electric power systems, 475
Interrupting rating factors, 44
Interstate power, statistics, 70
"Is the Small Appliance Market of Value to the Industry?" by C. E. Swartzbaugh, 147

J

Jackson, Carl D., obituary, 266
Joint Industry Committee
first meeting, 364
Joint Subcommittee on Development and Research
fall meeting, 485
spring meeting, 328
Reports, 27, 92, 484, 485
Judges appointed for prize contests, 69

K

Kitchen Modernizing Program *See* National Kitchen Modernizing Bureau *also* Electric Kitchens
"Kitchen Modernizing—Is the Time Ripe for Promotion?" by R. E. Imhoff, 157

L

Lamp sales campaign, 486
Last year's electric operations, 123
LCODE, publication, 482
"Learning From Our Customers," by P. H. Powers, 133
Lighting, highway, 422
"Lighting Promotion in America," by G. Bertram Regar, 389
Lighting, street, effect on accidents, 87
Lighting, voltage, analysis, 374
Lindemann, A. L. *See* Prizes and Prize Awards
Load Building, domestic, 257
Lowering a Half Mile of Electrical Conduits by Means of Ice, 483
Low Resistance Grounds, 484
Low voltage network, engineering necessary in development, 83

M

"Making Rural Electrification Pay," by G. C. Neff, 13
Martin, Thomas W. *See* Prizes and Prize Awards
McCarter, President, statement on certain expenditures and actions of E. E. I., 297
McGraw, James H., Award. *See* Prizes and Prize Papers
Meetings and Conventions
See specific meeting or convention *also* Edison Electric Institute Convention
Memorial to the President of U. S. presented by Thomas N. McCarter, 3
Merchandising in TVA Territory, 144
"Meter Installations and Service Rebuilding," by F. E. Davis, 81
Meter mounting, standardization, 442
Meters, Type A Single-Phase Installations, 119
"Method of Locating Faults on Overhead Transmission Lines by Means of High Frequency," by J. E. Allen and G. J. Gross, 309

Missouri Association of Public Utilities Convention, Kansas City, 92, 172
Missouri Valley Electric Association, Engineering Meeting, 70
"Modus Operandi of Public Utility Act of 1935 as Passed by House on July 2," by P. H. Gadsden, 241
"More Elbow Room," by Wills Maclachlan, 16
"More Harm Than Good to Both Consumers and Investors," by Samuel Ferguson, 97
Motor starting current, maximum allowable, 333
"Municipal and Company Rates Compared," by Wm. M. Carpenter, 45
"Municipal Electric Rates," by Wm. M. Carpenter, 377
Municipal plants, price of electricity to small consumers, 298

N

National Association of Railroad and Utilities Commissioners
Proceedings for 1934, 82
Revised Classification of Accounts, 406, 445
National Better Light-Better Sight Bureau *See* Better Light-Better Sight Bureau
National Electric Code, Proposed Revision, 327
National Electric Kitchen Modernizing Bureau
Plans for 1st year, 434
Whitwell to Head Bureau, 265
National Housing Act *See* Federal Housing Administration
National Radio Essay Contest, 117
Nebraska Electric Association Safety Conference, 87
New American Home, G. E. Competition, 436
"New Business Horizons Through Vapor Illuminants," by Samuel G. Hibben, 287
"New Electric Range Sales Opportunity, The," by W. H. Hodge, 155
New Low Cost Small Diameter Concentric Cable Assembly Developments, 403
New Orleans Advertising Club, 1st Annual Competition, 112
Northwest Electric Light and Power Association Conference, 93
"Not Exactly a Lamb"—Editorial, N. Y. Sun, 488

O

Obituaries
August F. Hockenbeamer, 428
Carl D. Jackson, 266
Oil Circuit Breakers, schedule of preferred rating, 27
Oil fields, use of electric power in production operation, 25
Oklahoma Utilities Association Convention, 171
Ontario, use of domestic electricity, 163
Operating Committee Meeting, 111
"Operating Companies and Title II of the Rayburn Bill," by Bernard F. Weadock, 101
